

## AID & RELIEF

**A GLOBAL NETWORK OF LOGISTICS PROFESSIONALS WHO UNDERSTAND YOUR CHALLENGES**

Aid & relief organisations face increasingly difficult logistical challenges as natural disasters spread across the globe, and the need for humanitarian assistance increases. At Damco, we currently provide UN organisations, NGOs, Donors and suppliers with a full range of logistics services; and we can do the same for you.

### **Damco's integrated solutions**

We offer complete ocean freight, airfreight, and landside services; all with end-to-end in-transit visibility. Our landside services are available practically everywhere in the world and include stevedoring, trucking, customs clearance, warehousing and distribution. We excel at finding innovative solutions to meet the specialised needs and requirements of aid & relief organisations.

### **Global presence with a local touch**

Damco is uniquely positioned to meet your needs due to our unsurpassed geographical reach. Globally we are represented in 315 locations in more than 90 countries.

In every Damco office around the world, we have local experts who speak the local language and who understand the local communities. We have proven operational skills and in-country experts in many of the world's most challenging environments.

As one of the world's leading operators in growth markets such as Africa, Asia, the Middle East and Latin America, we enable you to service far away places with our established logistics network. Our tried and tested network ensures your shipments will arrive at their designated destination; despite any lack of developed infrastructure in the region.

### **Passion for customers**

Our greatest successes have always come from working closely with our customers to understand your business and deliver the solutions you need. Whatever we do, this basic facet of our business remains true - we strive to get the best deal for you.

### **UN Global Compact**

As part of the A.P. Moller - Maersk Group, Damco is aligned with the Group's interpretation of sustainability in business. This includes being a signatory to the United Nations Global Compact since 2009. Damco, as part of the A.P. Moller - Maersk Group is also a member of the Logistics Emergency Team (LET), which supports the UN Logistics Cluster.
